An intensive Aikido week in Gothenburg, Sweden

June 29 – July 3, 2015

with

Shihan Ulf Evenås, 7 Dan

Gothenburg Aikido Club has a long tradition of organizing mid-summer training. For more than 15 years Aikidoka from all over the world have been coming to this event to train under the supervision of Ulf Evenås Sensei.

The number of students is limited in order to make it possible for everybody to meet old friends and make new. The event is open to everybody, regardless of style and rank. You can stay in- or outside the dojo, but you are expected to practice all classes.

Ulf Evenås Sensei will teach Takemusu Aikido – taijutsu, ken and jo, as learned directly from Morihiro Saito Shihan as a close student for 29 years. We will practice bukiwaza (ken and jo), as described by Morihiro Saito Shihan in the five Mokuroku (transmission scrolls), and its variations, and taijutsu from basic to ki no nagare and its variations.

You will train together with, and receive support from, highly qualified Aikidoka from both Gothenburg Aikido Club and all over the world.

We will practice at Frölunda Judo Club with 360 square meters of tatami, a fully equipped kitchen, and outdoor practice of ken and jo. From the dojo it's walking distance to one of the best beaches in the Gothenburg area, it's close to a shopping center, and the public transportation to the central part of the city is excellent.

Welcome,
Ulf Evenås & Gothenburg Aikido Club
