Gothenburg Aikido Club has a long tradition of organizing both midsummer and midwinter training, shochugeiko and kangeiko – training at the warmest, and coldest, time of the year. For more than 20 years aikidoka from all over the world has been coming to study under the supervision of **Ulf Evenås Shihan**. Ulf Sensei has been teaching **traditional Aikido** – taijutsu, ken and jo – as he learned it directly from **Morihiro Saito Shihan**, as a close student for 29 years.

This year Ulf-sensei celebrates his **50th year in Aikido**, and for this reason there will be extra celebrations. There will be **two weeks of keiko**, with many invited top teachers in Takemusu Aikido.

THE FIRST WEEK (July 2-7) Ulf-sensei, assisted by Dan Borg-sensei, will teach for six days.

We are especially honored to have **Shihan Paolo Corallini, 7 dan**, who will teach together with Ulf-sensei on Friday and Saturday.

THE SECOND WEEK (July 9-13), Ulf-sensei together with **three of his top instructors** in **Gothenburg Aikido Club**, headed by **Dan Borg-sensei**, and **three specially invited teachers**, will teach for five days.

Practicing Takemusu Aikido gives you a foundation and insight into the fundamentals of Aikido. Regardless of your style and rank, this event is an opportunity to learn Takemusu Aikido, as taught by Morihiro Saito Shihan, from top teachers. You will train together with, and receive support from, highly qualified Aikidoka both from Gothenburg Aikido Club and from all over the world. We will train at Frölunda Judo Club with 360 square meters of tatami, a fully equipped kitchen, and outdoor practice of ken and jo. From the dojo it's walking distance to one of the best beaches in the Gothenburg area, it's close to a shopping center, and the public transportation to the central part of the city is excellent. You can stay in- or outside of the dojo.

Welcome,
Gothenburg Aikido Club & Ulf Evenås

Gothenburg Aikido Club started as a small group in the late 1960's, under the leadership of Carl Hansson (1910–1996). For some time the group didn't have a permanent place to train, but in 1969, it started training in a Judo club, and became more organized. In the same year, 1969, Iwama Takemusu Aikido, was introduced by Takeji Tomita-sensei and in 1972 Gothenburg Aikido Club opened its own dojo. With almost half a century of experience in Iwama Aikido, Gothenburg Aikido Club is the oldest existing Iwama "style" dojo outside Japan.
